- Project Management Tools
- Strong Communication

## EDUCATION

### HIGH SCHOOL

2020 - Bac mathematical science

### UNIVERSITY

2020-2025 - National School of Applied Sciences of Fez

## LANGUAGE

English

Frensh

Arab

# ILYAS MAKHOUL

## ENGINEERING STUDENT

I am an engineering student in computer engineering in the National School of Applied Sciences of Fez, so I am now a programmer who masters long programming languages like C++, Java, also web development (HTML, CSS and JS),and of course languages to manage databases (MySQL, PHP)

## PROJECTS

### WEBSITE DEVELOPMENT

I made a portfolio using HTML, CSS, JavaScript, PHP in which I put the menu to switch from one part to another, different modes (dark and lite) and the two languages (french and english), this portfolio and more detailed than the CV

### GAMES DEVELOPMENT

- XO-Blue RED in JAVA
- 2D moving games in unity C#
- Maze Game in JavaScript

### APPLICATION DEVELOPMENT

I made an application that does voice signal processing, this function has as its objective the transformation of sound into sentences, and also identification of people from its voice, I did this using C++ and Matlab
